Report/Findings: Both dogs were observed inside the property. Owner informed us that he went to the complainant's house to find out what happened and apologized. Apparently her wife was driving in and she barked without noticing the complainant and his dog. As she drove in their dog saw the other dog and went out where they started fighting. She quickly drove in and helped the people to separate the dogs. He was told that if the dogs get out again or get repeated the matter will be reported to the By Laws.

Action taken: (i.e. warning, education, seize, etc) Warning issued (By Laws)
