| Concerns                              | Yes                                 | No                                  |
|---------------------------------------|-------------------------------------|-------------------------------------|
| Water available                       |                                     | <input checked="" type="checkbox"/> |
| Adequate shelter available            |                                     | <input checked="" type="checkbox"/> |
| Adequate space available              | <input checked="" type="checkbox"/> |                                     |
| Clean living environment              | <input checked="" type="checkbox"/> |                                     |
| Animal/s chained / tethered / caged   |                                     | <input checked="" type="checkbox"/> |
| Animal/s in good condition            | <input checked="" type="checkbox"/> |                                     |
| Veterinary problems / health concerns |                                     | <input checked="" type="checkbox"/> |

Note: Any concerns noted in this table must be explained in detail in the Inspector's report.

**Report/Findings:** Upon arrival we saw one dog sleeping on the property and we shouted from the gate a man named Sphamandla came out and he said he is the owner of the dog, and we did the inspection and the dog did not have shelter and water at the time of inspection. We issued him with a warning to provide shelter and put water immediately for the dog and he did that in our presence.

**Action taken:** (i.e. warning, education, seize, etc)

INSPECTOR: Theo & Jeffrey
