Report/Findings: Upon arrival 4 dogs were observed on the premises. All the dogs appeared to be in fair physical condition, one of the dogs was indeed a Labrador but was ~~resist~~ or appeared to be sick. The owner was not at home at the time & the helper was not able to provide us with further details at the time regarding the dogs. A second visit is to be made at the premises to gather further information regarding the dogs. As the owner was not answering their phone to provide consent to enter the premises.

Action taken: (i.e. warning, education, seize, etc) —

Note: Any concerns noted in this table must be explained in detail in the Inspector's report.

Report/Findings: Upon arrival all the dogs appeared to be in fair condition. The owner informed us the dogs will sometimes pull the cushions down on the premises. The owner was further advised to provide forms of enrichment for the dogs & to also ensure that the bins are not easily accessible to the dogs as this was observed as a health hazard. No sick or skinny dog was observed during our visit.
