I accept the fact that if my animal has not been vaccinated against common diseases that there is the risk that the animal may contract such diseases while in our care and that the Society cannot be held responsible.

All animals treated by the SPCA must be sterilised. I hereby consent to the sterilisation of the above animal.

If in the opinion of a veterinarian an animal presented for admission is so diseased, severely injured or in such a physical condition that it should be euthanised for humane reasons, the Society shall have the right to effect such euthanasia by approved humane methods.

I will collect the animal, or make arrangements with the Society to get the animal home within 48 days of being told by the Society that the animal can go home. If I do not collect the animal within the time stated by the Society, the animal will become the property of the Society and I will have no claim whatsoever against the Society.

Should a decision on specific treatment be required due to the cost thereof, only 24 hours will be permitted. Thereafter a decision will be made in the best interest of the animal, and in terms of Section 5 of the Animals Protection Act 71 of 1962.
