Subject: Response regarding a cruelty complain

Good morning Rethabile.

I attend the cruelty complaint at number 17077 Mohlako Street Volsoorus. At the time of the inspection, I found two dogs in a clean yard with food, water, and adequate shelter. While I was there, I noticed something that might make you think the two dogs are being abused. The owner has two dogs, one male, one female. The female dog likes going for the male especially when they are eating. That's when they would start fighting. The owner now separates them whenever they are fed. The shouting you heard was when the female wants to go for the male dog.

Thank you for reporting this matter to us. We will do some follow ups in the coming weeks.

Best Regards
Officer Tshepo Sithole
