Subject: Cruelty case 3184

Hi Gideon

I am Officer Jabu from the Boksburg SPCA, just wanted to give you feedback regarding the cruelty case you called us about on the 25th of August 2025 at 09:00, I went to the property at 13:40 on the same day and on arrival I found 3 Dogs on the property. A Brindle female Jack Russel, a tan female Africanis x Dachshund and a tan female German shepherd cross. All 3 Dogs had clean water to drink and food in their bowls. There were found roaming freely in a clean yard that doesn't have faeces on the floor. No cruelty found on the property.

The photos you have sent us is a photo of belongings of people that are moving out, its not the whole yard that looks like that.

Thank you for your Email

Regards

Officer Jabu
