TERMS & CONDITIONS OF STERILISATION

1. If the adopted animal is not sterilised on the due date mentioned above, the SPCA reserves the right to enter the above property and confiscate the animal. No money will be refunded.
2. The adopted animal cannot be passed on to a new owner. Please see clause 2 of the adoption contract.
3. The SPCA and its Veterinarian will not be held liable for any loss, theft, sickness, injury or death of any animal admitted for sterilisation. All reasonable precaution will be taken whilst the animal is in the SPCA's care. The SPCA does not have overnight staff to monitor animals after surgery.
4. It is understood that the signature on this document is that of the legal owner of the animal. Should it not be that of the legal owner, you are advised that you will have no legal recourse to take any action against the SPCA.
5. Failure to collect and pay the outstanding monies within (7) days of the animal's sterilization date shall result in the SPCA considering the animal to have been abandoned and they shall do with the animal as they deem fit. No further correspondence shall be entered into.
6. I understand that any procedure involving anaesthetic does carry certain risks for the animal involved even though all reasonable precaution will be taken whilst the animal is in the care of the SPCA. I further understand that the SPCA Clinic is not equipped to deal with emergencies to the same extent as most private veterinary practices.
7. Should your dog/cat be found to be pregnant/on heat/pyometra during sterilisation, a R250-00 surcharge will apply.
8. It is not a requirement that the Boksburg SPCA signs this contract for it to be effective and it will come into effect on the owner's/adopters signature.

I have read and fully understand the conditions above, which I accept unconditionally.
