Subject: Urgent confidential report of suspected animal abuse

Dear SPCA Inspector,

I hope you are well. I would like to report a case of suspected animal abuse and neglect, and I kindly request that my identity remain completely confidential. I am a teenager, and I do not want anyone in the area to know that I made this report for my own safety.

At 25 Stumpnose Street, Delmore Gardens, Boksburg, there is a female dog named Layla who appears to be living in poor and unsafe conditions. She gave birth to six puppies around July, and the dogs are kept in an environment that does not seem healthy for their wellbeing.

Layla is fed mainly vegetable peels and leftovers, and as far as I know, she has not been properly washed or groomed since January this year. She is also losing fur. I have witnessed the use of physical punishment toward her and the puppies, which has made me very concerned for their safety.

I urgently request that an inspector visit the property to assess the situation and ensure the animals receive proper care.

Thank you for your assistance and for the important work you do.

Kind regards,
Anonymous

*Tslepo I think you did this

Thank You*

Dear Amanda,

I would like to express my sincere gratitude for your assistance. The conditions have improved significantly, and the dogs are now receiving the care they need. It truly makes me happy to see them active, playful, and vibrant again.

I do, however, believe it may be helpful to offer the owners additional guidance on appropriate dog food and nutrition, to ensure the dogs continue to thrive.

Thank you once again for your support and dedication.

Kind regards,
[BOITUMELO]
