General Report Comments: Upon arrival i met with mr Pretorius he grated me access to the property ,inside the property i saw one dog . Dog is in good condition but the dog nails need to be trimmed. Mr Pretorius told me that most of the time he keep his dog inside the house because he is scared that his dog can have ticks and fleas.

I then issued a written request letter for the owner to let his dog go outside the house and in .
To clean outside to create space for his dog .
And in future if dog nails are long,dog must be taken to the vet to trimme nails.

I will sterilize his dog and cut nails
