General Report Comments: Upon arrival I knocked and met with the man but he refused to tell me his name. He stated that people are complaining about my dog but there's nothing wrong with my dog and every dogs barks.

Then I him I just want to do an inspection. Then he granted me access to his property, we went into the house to the front yard. Inside the property I saw one adult dog terrier cross male Sable. Dog was roaming freely and water for the dog was available no dog kennel and environment was dirty old feces.

He stated that I have two dogs I keep pitbull at the backyard because I can't put them together. Then I requested to see the dog but he refused and tell me to wait until people complain and they only complained about one dog. Then he told me to get out in his property.

Then I wet outside the property, I told him that it is my duty when iam doing an inspection and check every animal in the property.

He refused by Saying I'm not letting you do that in my property. he started to shout at me and stated that I will find your place and I will get you.

He then took video and photograph of the vehicle and me stating this is the man that want to give me a warning then he looked at me and said I will get you. Will I was reversing my vehicle.
