General Report Comments: Joyce was home and luckily all her cats and dogs are sterilized. The yard is very dirty with faeces and rubble though. The dogs live inside and the cats can go in and out like they please. The animals are in good condition and have clean water even though the house smells and the yard is dirty. I aerate a warning to clean the yard and clip the dogs nails especially Poppys nails within 5 days. I gave longer time as the lady is old and struggles to walk and her son had an injury. She said it's fine they will do it by Monday.
