4. Any restraining methods used on the animals shall not cause pain, injury or suffering.
5. It remains the responsibility of the licence holder to feed, care for and house all the above mentioned animals and maintain the facilities, transport and other equipment to meet all the animal welfare needs.
6. The officer has to be informed if there is any change to the number or type of species used.
7. It remains the responsibility of the licence holder to ensure that he/she submits the correct PAPA application form, correctly completed, at least 2 months before a valid PAPA licence expires, to papa@dalrrd.gov.za and Cc DawidV@elsenburg.com.
8. It remains the responsibility of the licence holder to ensure that the facility veterinarian will visit the facility at least twice per year at an interval of at least 4 months apart.

Security industry:

1. Only fit, healthy and appropriately trained dogs may be used.
2. Safeguarding dogs may only work with a PSIRA registered dog handler (DH) trained to the same level as the dog, for example DH2-patrolling and deter crime, DH4-searching and apprehension off-leash or DH5-detection.
3. Assessment of dogs and dog handlers to confirm/maintain their grading and update their certification should be conducted annually.
4. For short resting periods during a working shift, the dog must be secured in an appropriate sized duty enclosure with an appropriate sized kennel and fresh water. The dog may not be left unattended at a facility during or between working shifts.
5. Dogs must return to an off-site off-duty enclosure (primary facility) between working shifts and off days where appropriate care and exercise routines are maintained.
6. If off-duty enclosures are not located off-site (animals are permanently on site) the enclosures must be built, equipped and the animals managed during the off-duty period at the same standard as at a primary facility. A registered DH1 (minimum requirement) dog handler and/or inspector must check on the dogs off-duty and take them to a safe exercise camp/area/activity where the dog has the opportunity for natural behaviour, including elimination behaviour (urination and defaecation) and possibly playing activities/exercise, at least once in a 12 hour off-duty period.
7. For short resting periods during a working shift, the dog must safely be removed from the vehicle, to allow for urination/defaecation, movement/exercise and have fresh water. The dog may not be left unattended in a vehicle during or between working shifts.
8. Minimum operating, equipment and facility (vehicle) standards should be maintained in order to ensure the welfare of the animals, for example fresh air and a comfortable ambient temperature is required.
9. During off-duty shift periods the dog handler or inspector must check on the dogs and take them out to an exercise camp at least once a day.
10. Should dogs be utilised at facilities that are not listed on the current licence for a period longer than five days, the licence holder must supply (email) the relevant site details (client, address, contract period) as well as any additional number of animals used, amendments to SOP's, etc. to the licencing officer, requesting an amendment of the licence, within 7 days after the dogs' arrival at the new facility
11. This licence is issued subject to the registration of Dog Handlers (DH) with PSIRA, as listed as a non-conformance on the corrective action report. Registration is only valid upon submission of DH training by a PSIRA/SASSETA registered training facility.

This licence is valid from **date of issue 7 December 2020** until **expiry date 6 December 2021**.

Convictions/contraventions in terms of the PAPA, 2016 (Act No. 4 of 2016) and APA, 1962 (Act No. 71 of 1962) if applicable: None
