[09:53, 24/09/2023] Cape Of Good Hope SPCA: I also dnt understand why they did not keep him there and monitor till this morning,

[09:53, 24/09/2023] Cape Of Good Hope SPCA: either one of the options would have been better.

[09:58, 24/09/2023] Lynne Early: Yes agreed I paid R1400 couldn't they have kept him or pts ? Next time I will personally speak to vet

[09:59, 24/09/2023] Lynne Early: I just hope owner wasn't insistent to take dog home

[11:49, 24/09/2023] Lynne Early: This was after the vet at home ! Really not right dog was sent home. I will chat to vet later today or Tuesday.

[12:07, 24/09/2023] Cape Of Good Hope SPCA: Aah shame man it's inhumane of them doing what they did.

[12:09, 24/09/2023] Lynne Early: Very upset my whole idea of getting involved was to avoid the dog to suffer anymore at home 🙄

[12:10, 24/09/2023] Lynne Early: Will speak to vet and find out if it is true she didn't try persuade pts

[12:10, 24/09/2023] Lynne Early: He says she never said he must pts.
