

Hi Magdalene,

That's good to hear thank you for the update. I have managed to get 1 sterilization lined up at Peninsula Vet on Thursday. It's a very small step in the right direction.

Ultimate Pet Care has offered to send one of their mobile vans to the Gatjie next Monday from 8am to 1pm to cut and bathe any dog in need which is great but obviously it won't kill any fleas or ticks so hopefully we can get that sorted out in the near future. I am happy to assist your team in any way I can even if it is just with information.

Kind regards to all
