In light of our recent inspection conducted on 02 February 2023, we advise that the below are implemented. You are hereby instructed to:

1. Provide additional shelter for Saartjie and Charlotte. The current shelter is not enough for both of them.
2. Ensure Charlotte and Saartjie has access to potable water at all times. The bathtub water was dirty.
3. Remove loose hazardous materials such as bricks, empty bottles, etc from all the dog camps.
4. To provide all the cats with tick and flea treatment (André did state that he made a bulk order for this).
5. Provide updated veterinary reports (not less than 2 months old) or veterinary treatment for the following animals:
 - Wolverine has badly worn teeth. Ensure to provide the dog with veterinary treatment/ dental.
 - Akira and Seun (2 dogs) with tick and flea treatment. Provide this for them on a regular basis.
 - Ccino and Summer (2 cats) appear to have a skin condition. Provide them with tick and flea treatment.
 - Borrie (cat) had a congested nose. Provide the cat with veterinary treatment.
 - Ebony (cat) has a growth in her nose that needs to be rechecked by the veterinarian.
 - Neo (cat) was at the veterinarian for a low blood count. Provide us with the proof of veterinary treatment received.
 - Max (cat) neurological condition. Provide us with the proof of veterinary treatment received.
 - Skollie and Lady B (2 cats) had a dental done. Provide us with the proof of veterinary treatment received.
 - The 5 cats with Ringworm. Provide us with the proof of veterinary treatment received.

Recommendations made:

1. To provide environmental enrichment for the pigs such as hanging a ball/bottle for them from the tree to play with
2. Obtain Karbadust to destroy environmental infestations and treat animals with sudden outbreaks. This can also be used for chickens, geese and pigs.

ENSURE TO COMPLY WITH THE ABOVE WITHIN 7-DAYS, UNLESS INDICATED OTHERWISE PER POINT.
