On Thursday 2nd March 2023 there was an incident that occurred where there was a fight between 2 dogs and a baboon. The white pitbull was seriously injured and had lost alot of blood and the black & brown mixed breed has several deep cuts that needed medical care. Once owners returned home it was said that they need to take or phone the SPCA to seek medical care. They lady wasn't interested and said 'I have better places to be and the dogs can die in my yard, I'm not bothered'. The lady was angry about cleaning up blood & kept complaining about the baboons on her property but the incident occured in the natural environment. She then left while the white pitbull & black & brown mixed breed were bleeding out. The address is 389 Bloekom laan. The lady goes by the name "Gerry" and is a coloured lady around the age of 60.
