EXAMINATION FINDINGS

- **Description** – The dog presented bright, alert and responsive. However, he was emaciated with a Body Condition Score of 3/9. The dog has many broken teeth. He had several ticks.
- **Duration** – the dog was examined on the day it was confiscated.
- **Cause** – Under-feeding and neglect by owner. No tick and flea treatments were given.
- **Prognosis** – Based on clinical examination – the dog is expected to be able to live a normal and healthy life if proper treatment (sufficient nutrients and tick and flea prevention) is given.
- **Recommendation** – Owner is in breach of basic animal rights (Animal Protection Act 71 of 1962). He should be charged accordingly and the dog be confiscated.

COMMENTS

Reason for confiscation- owner failed to comply with previous warnings regarding dog's health.
