Good day Sam

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

We have logged a case for one of our Inspectors to investigate the matter. An Inspector will visit the property within 24 hours unless it is an emergency and immediate intervention is required, then we will respond without any delay.

You will be provided with feedback within 7 days. However, you are more than welcome to call us at 021 700 4158/59 if you would like feedback sooner.

Your case reference number is **INSP 182100**

We assure you that the details of the complainants are always kept confidential. The SPCA will never reveal the identity of our informants.

Please do not hesitate to contact us for more information or clarification.

Kind regards

Dear Jaco

Reaching out directly as think this may be a

I came across this group of young boys and been working with them but something just feels off and the one pitty x has now been in two bite incidents and spca has been to property so I think an home check to asses tge whole situation be just case.

And then they gave me a spca letter . So that you been on ground Cld anther vist be done

Plse follow up with me as I am happy to take this little group and steri and vac etc but something just needs to be checked ..

would spca and you treat this with the care it needs and do a vist . At above home so before I carry on getting dogs all steried and sorted with food etc let's make sure there is not a hornets nest at home

Free to discuss and emailed you as it Pitpuls and we all need to prosecute these magistic beasts

Addy is on paper
