Clinical Summary for 185594/92543 Sasha Kouter

Client Details

Name SPCA Cape of Good Hope **Phone** 083 326 1604
Address VAT# 4580103804 0717242844
 Cnr of First Road and 1st 021 700 4166
 Avenue 021 700 4141
 Grassy Park 021 700 4140
 7941

Patient Details

Name 185594/92543 Sasha **Age** 2 years
Species Canine (Dog) **Sex** Female
Breed Pitbull

Tuesday the 6th of June 2023

Plan

Pt moderately dehydrated and moderately to severely emaciated. Also suffers from areas of alopecia, and based on regions affected, is possibly due to ectoparasites. Pt likely to come into heat soon based on oedematous vulva. Pt previously experienced events that caused the pt to have multiple old wounds. Pt also has moderately blunted teeth.

Assessments

Dx:

- Moderate dehydration
- Moderate to severe emaciation
- Old wounds

Physical Exam

Mentation: Bright, alert and responsive. Ate treats in consultation room

Thoracic auscultation: No abnormalities detected

Abdominal palpation: No abnormalities detected

Lymph nodes: No abnormalities detected
