### Clinical Summary for Maximus AI Samaai

#### Client Details

**Name** Samaai, Qaasiem      **Phone** 0714840789  
**Address** 6 Lancaster Street      0832585293  
 Marfield Village      071 484 0789  
 Cape Town

#### Patient Details

**Name** Maximus AI      **Age** 3 years  
**Species** Canine (Dog)      **Sex** Male  
**Breed** Boerboel

**Monday the 26th of June 2023**

#### Plan

Client requested that invoice not be more than R1300 as that is all that OnePlan will cover per visit.  
 So will treat dog bite today and will come back for ear treatment

Disp amoxyclav, onsior, biotaine  
 Advised follow-up in 7 days

#### Assessments

Dog bite  
 Chronic allergies flare-up

#### Physical Exam

did not examine due to temperament - know from previous visits that he will bite / lunge at you without warning  
 Dog bite - area of necrotic tissue on inner aspect of right upper lip, open i.e. doesnt look like abscess formation  
 Ears - flared up, smear: 2+ malassezia, 2+ cocci

#### History

Presented for check-up on ears and dog bite to his lip that happened a few days ago
