STATE UNDER OATH IN ENGLISH:

24TH JUNE 2023 I called the animal welfare to report a CASE OF ANIMAL ABUSE. The dog (Jackson) was picked up at the above mentioned address, the condition of Jackson was severe. He was malnourished, never received any vaccination, deworming and he didn't have any kennel to sleep in during the harsh winter weather, his ribs was visible, he was hardly fed. His owner would demand him to sit before eating after Jackson hadn't eaten in days sometimes weeks, he was kicked, thrown with water, verbally abused and was burnt with a lighter if he'd jump on his owner. This has been going on ever since the owner brought him home on numerous times I've spoken to the owner about this as well as my mother, where we were ignored and our approach fell on deaf ears. A month ago the owner moved and made no plans to take his dog or give Jackson to someone where Jackson could have a better chance at life. My Mother, fiance and I fed Jackson until his owner would come fetch his other things/belongings. When he did again the convo of Jackson fell on deaf ears. I then made the necessary arrangements so that the SPCA fetch him as I'm not by know and understand the contents of this statement. the means to do so. I believe I have no objection in taking the prescribed oath. action should be taken. He is consider the prescribed oath to be binding on my conscience. a beautiful talented dog.
