Afternoon

This seems to be a District Court Matter- I suggest that you contact one of the District Court Control Prosecutors – Mister Lyndon Daries (LyDaries@justice.gov.za ) or Ms S Nordien (SNordien@justice.gov.za). Mrs Ronel de Jager has long since retired. I was acting for a period as Senior Prosecutor in her place, but has now reverted to my own post as Regional Court Control Prosecutor – I am therefore not involved with decisions in District Court matters.

Greetings

Louis Van Wyk  
Regional Court Control Prosecutor: Bellville

Dear Colleagues,

The below email sent to Bellville Magistrate Court this morning refers.

We have since received feedback from Bellville South SAPS that the cases mentioned in the below email were withdrawn. When we asked Bellville South SAPs for additional feedback confirming the relevant Prosecutor and the reasons for the cases being withdrawn, they responded saying that the cases were handled in Court A at Bellville Magistrate Court and that they were not provided with the reasons for the cases being withdrawn.

Please can Bellville Magistrate Court confirm which Prosecutor handled CAS 135/07/2022 and CAS 51/08/2022 so that we may further liaise with the relevant Prosecutor?

We look forward to hearing back from you at your most urgent convenience .

Thank you.

Kind regards,  
Nicole Venter
