Good Day

We have once again received numerous complaints about dog fighting at the above property . The owner was prosecuted, all dogs were removed and he was not allowed to own dogs. In November 2019 it was reported and SPCA and SAPS confiscated his animals.

He currently has 2 pitbulls he uses for dog fighting; inviting people to bring their dogs to fight his. According to the complaint he locks them behind the security gates at his front door and lets them fight.

We asked the neighbour to take a photo of the backyard when he reported that there were puppies . At that time (could be a few months ago) he had 2 pitbull puppies in his yard; they have since grown.

We will appreciate your assistance in stopping him from continuing with this cruel act . His name is Irishaad Allie.

Thanks
Sandy
