Date: 2023-02-15

Time: 16:10

Inspector: THEO ARENDOLF

Type: CASE DISCUSSION NOTE

Follow-Up Date:

Comments: This collection for sterilization is becoming a waste of resources. Owners are clearly not willing to have the dogs sterilized as I've been to this property Many times but never find the se person.
They get the warning and complies. This dog unfortunately won't be sterilized by spca as owner not willing to do so...
