Follow-Up Date: 2023-02-14

Comments: On arrival at the gate, I met with an adult African male who introduced himself as Arnold . He told me that Shepherd is in Epping to collect the food for pigs and he gave me his number 0738428458. I called him 4 times and the phone is engagd. I asked him about the dog with a leg injury and he told me that the dog died but does not know what happened to the dog.

I am not sure about the next step on this case as we seem to be wasting our time and this man named Shepherd is not responding to our contact notices.

I will have to discuss the case with my supervisor.
