| Inspector:      | ELANI GRAHAM                                                                                                                                                                                      |
| Type:           | CASE NON-COMPLETION NOTE                                                                                                                                                                          |
| Follow-Up Date: | 2023-05-11                                                                                                                                                                                        |
| Comments:       | Other cases including Eagle Encounters and Husselmann Protection Services took longer than expected as a massive warning needs to be written. Can stand over to next week as this is a proactive. |
