Subject: Dogs not properly cared for

Hi there i would just like to inform you of a house in our street 7 fabian Avenue athlone where the people are keeping dogs and chickens, however nobody works in the house and the dogs are free to roam the streets and chase after the people who walk down the street. The dogs didn't bite anyone not yet and these dogs keeps mating and the dogs poop in front of other people's gates and driveways and the owner of the dogs who is a drug addict doesn't want to hear or do anything about the dogs. The one neighbor also layed a complaint a few months ago and the spca removed dogs drom this property however bot long they just got some more dogs. Please can you help as these dogs roam the streets and makes the other peoples dogs bark none stop as well. Hope you can be of some assistance and thanks in advance
