Comments: Siviwe did not make the court appearance on 08 November 2023 and the court case was struck from the roll as a result. Mr Zono then came to claim his cattle back. The cattle have already been slaughtered. I must go meet with the Prosecutor to try get the case back on the roll and explain the error in the A1 missing the court date for which he was warned. It will be discussed that we take the matter very seriously and that we have already implemented measures with SPCA staff to ensure this same mishap doesn't occur again. Call court on Monday to try arrange an appointment - if unsuccessful, I will just go to the court in person to arrange a meeting at the Prosecutor's most urgent convenience. Someone must go to Bellville Court to attend Lee's Fisantekraal case and so if I go I will use this opportunity to try meet with the Prosecutor.
