Good day Rudolph

I hope this mail finds you well. You seized my pitbull Daisy Truter Dimov on 19 December 2022. I have called and spoken to someone within seven days and I was told that you would do the inspection on 29 December 2022, however you called me back to confirm I called and you said you would get back to me with a new date. I have received no follow up and no new inspection date. Could you please call me urgently so we can resolve this ASAP. I would love to have her home soon. Thank you for your time.

Kind regards
Fatima Truter Dimov
