Comments:	OLD CASE INSP174664 - Kila 1281 Wesso Street, Bellville South I saw Kila at 20:00 on Friday night. I know and really do understand that you have to obtain a court order and handle neglect as the law instructs/as per the SPCA's rules but I am begging you to please please consider obtaining a court order for Kila; he was taken off his runner and chained up AGAIN on Friday with zero shelter or water in sight, even though it was dark I looked all over his yard and could not see his kennel anywhere PLUS he was chained away from the afdak that he is supposed to have use of and it rained from early in the night. Surely these owners have had enough chances to listen to you now and time is up?
