Bellville South neglect

INSP172154 (936 Frank Louw Avenue) - CJ's chain on his runner has been obstructed with a piece of wire AGAIN and will continue to be obstructed once they pass all the checks and know your visits have come to an end; you have now been to this property a number of times and need to do something other than giving a warning because it's obvious they aren't getting the picture that what they're doing is illegal. CJ is a VERY high energy dog and is being forced to stay in a small space every time his chain is obstructed; it's far from fair. (No photo taken)
