Comments: CASE UPDATE RECEIVED VIA EMAIL :

Chloe, Mitchell, Tammy, My Friend and 2 white male dogs - INSP174969 & INSP162894

This is unfortunately a long, ongoing case regarding neglect of water and one of the white male dogs has hurt his paw in December already and is being left untreated. PLEASE PLEASE DOUBLE CHECK WHETHER OR NOT THESE DOGS HAVE WATER. If you could possibly please offer sterilisation of the last remaining unsterilised female and 3 males, it would very appreciated.
