Subject: Illegal confinement, inadequate shelter and runner too short

Good morning.

You have been to this property before (multiple times in fact; when is the line drawn?) but the neglect has started up again and I unfortunately don't have a case number for you to refer back to but do have an address.

ALL DOGS BELOW ARE ON THE SAME PROPERTY AT 720 Dammert Street, Bellville South

- Roxy and puppy sister are illegally confined to a small cage that REEKS of urine and Roxy is chained up with a heavy chain inside the cage.

- The German Shepherd seen below is on a runner but it seems to be too short.

- The one puppy that roams freely does not seem to have adequate shelter to turn to in these wet conditions.
