Fisantekraal Waste Water treatment	Cape Farms, Cape Town	As per contract

This license is applicable to the following animals:

Species /Breeds	Nature of Activity	Number
Canine	Safeguarding	4

Special conditions in terms of Act 24/35 Sec 7 (d), Read with Amendment Act 4 of 2016 Sec 3C (1) (h):

1. On request, the PAPA licence must be presented to a police officer, including an animal welfare inspector authorised as a police officer in terms of Section 8 of the Animal Protection Act, (Act 71 of 1962).
2. A police officer must be allowed access, in terms of Act 4 of 2016, Section 4, at any reasonable time to a premise, place or vehicle whereby performing animals may be used.
3. When animals under this licence are moved to a facility not listed on this licence, the licencing officer has to be notified 7 days before the intended movement, in line with Regulation 6. This will also be applicable to movements of new animals to this facility.
4. Any restraining methods used on the animals shall not cause pain, injury or suffering.
5. It remains the responsibility of the licence holder to feed, care for and house all the above mentioned animals and maintain the facilities, transport and other equipment to meet all the animal welfare needs.
6. The officer has to be informed if there is any change to the number of animals or sites where services are rendered.
7. It remains the responsibility of the licence holder to ensure that he/she submits the correct PAPA application form, correctly completed, at least 2 months before a valid PAPA licence expires, to papa@dalrrd.gov.za and Cc papa.els@elsenburg.com.
8. It remains the responsibility of the licence holder to ensure that the facility veterinarian will visit the facility at least twice per year at an interval of at least 4 months apart.
9. Only fit, healthy and appropriately trained dogs may be used.
10. Safeguarding dogs may only work with a PSIRA registered dog handler (DH) trained to the same level as the dog, for example DH2-patrolling and deter crime, DH4-searching and apprehension off-leash or DH5-detection.
11. Assessment of dogs and dog handlers to confirm/maintain their grading and update their certification should be conducted annually
12. For short resting periods during a working shift, the dog must be secured in an appropriate sized duty enclosure with an appropriate sized kennel and fresh water. The dog may not be left unattended at a facility during or between working shifts.
13. Dogs must return to an off-site off-duty enclosure between working shifts and off days where appropriate care and exercise routines are maintained.
14. If off-duty enclosures are not located off-site (animals are permanently on site) the enclosures must be built, equipped and the animals managed during the off-duty period at the same standard as at a primary facility. A registered DH1 (minimum requirement) dog handler and/or inspector must check on the dogs off-duty and take them to a safe exercise camp/area/activity where the dog has the opportunity for natural behaviour, including elimination behaviour (urination and defaecation) and possibly playing activities/exercise, at least once in a 12 hour off-duty period. During this time the enclosure should be cleaned.
15. Should dogs be utilised at facilities that are not listed on the current licence for a period longer than five days, the licence holder must supply (email) the relevant site details (client, address, contract period) as well as any additional number of animals used, amendments to SOP's, etc. to the licencing officer, requesting an amendment of the licence, within 7 days after the dogs' arrival at the new facility
16. This licence is issued subject to the training of sufficient dog handlers, at least three per dog on the licence and the registration of Dog Handlers (DH) with PSIRA, as listed as a non-conformance on the corrective action report. Registration is only valid upon submission of DH training by a PSIRA/SASSETA registered training facility.

This license is valid from **18 February 2022** until expiry date **16 December 2022**.

Convictions/contraventions in terms of the PAPA, 2016 (Act No. 4 of 2016) and APA, 1962 (Act No. 71 of 1962) if applicable: None

This license is granted subject to the provisions of the **Performing Animals Protection Act, 2016 (Act No. 4 of 2016)**, the **Animals Protection Act, 1962 (Act No. 71, 1962)**, the **Regulations** made under the aforementioned Acts.

This license does not absolve the license holder from obtaining any other relevant permissions, movement notices, licenses and/or permits.
