General comments

On follow up the amount of fish that are in the shop are in my opinion in good condition the tanks are clean and enough enrichment is provided.

Water leves are correct aswell as temperature
There was cages were rodents were kept but they were empty
The birds appear to be in good condition and no overcrowding seen
I saw 3 cocktiels that have just been weaned and the worker at the shop jymust gave the birds wet food and the crops are abit dirty.
Water was seen for all the birds and no veterinarian concerns were seen at the time.

Matter can be closed in my opinion as I don't see any apa concerns

Was a warning issued? No

Is a follow up necessary No
