To Whom It May Concern

This is to confirm that the following dogs belonging to:

Mr L Koti

Micael Street 20446

Nomzamo

Strand

Have been examined by me on 2/09/2024.

1 Greyhound

Black/white

Male

"Bangula"

Dog found to be generally in good health and condition with an old injury of the left hind stifle with medial thickening of joint.

2 Greyhound

Brown/white

Female

"Phephela"

Dog found to be generally in good health and condition with old bite wound in right flank already healed with only small scab formation present.

For any further information please feel free to contact me.

Dr K Viljoen
