STATE UNDER OATH IN ENGLISH:

I would like to lay a complain againts my neighbour who resides at 43 Chimes Street Steenberg whos beating his dogs. He beats them in the morning before going to work and at night. I'm not able to make a video cause I can't see but am able to hear. I've made a recording while he was hitting the dogs. If we confront him about it he tells us it's got nothing to do with us. He told my nephew the dogs keeps on catching on "shit" and that's why he beat them. As you can hear on the recording he's beating them with something. And he's not even bothered that we can hear. Most of our neighbours is complaining about him and he has no respect for any of us. He thinks he's above the law. The way he beats that dogs is plain cruel.
