| E-mail/s: abigaill@bidaircargo.co.za      |                                              |

### 2. INITIAL OBSERVATIONS

|                                                                 | Yes / No | Comments |
|-----------------------------------------------------------------|----------|----------|
| 2.1 Are AVI personnel available at all times?                   | Yes      |          |
| 2.2 Are personnel familiar with the disaster plans for animals? | Yes      |          |

### 3 ANIMAL AREA

|                                                                                                            |  |  |
|------------------------------------------------------------------------------------------------------------|--|--|
| 3.1 Are live animal shipments placed within the designated area?                                           |  |  |
| 3.2 Is the area kept clean and hygienic?                                                                   |  |  |
| 3.3 Are bird shipments placed on shelving?                                                                 |  |  |
| 3.4 Are the animal crates turned away from warehouse activities?                                           |  |  |
| 3.5 Are the animal crates placed in such a manner to ensure that 'natural enemies' do not face each other? |  |  |

### 4. HANDLING

|                                                                                                                       |  |  |
|-----------------------------------------------------------------------------------------------------------------------|--|--|
| 4.1 Does staff handle animal shipments with care and consideration?                                                   |  |  |
| 4.2 Does staff appear to be adequately trained?                                                                       |  |  |
| 4.3 Are animal shipments booked in at appropriate time to avoid unnecessary long waiting hours?                       |  |  |
| 4.4 Was any animal shipment accepted that was not IATA compliant?                                                     |  |  |
| 4.5 Does staff act appropriately when sick or injured animals are present?                                            |  |  |
| 4.6 Does staff act appropriately when an animal shipment is delayed for whatever reason? (including overnight delays) |  |  |

|                         |       |  |  |
|-------------------------|-------|--|--|
| Any shipments inspected | Yes * |  |  |
|-------------------------|-------|--|--|

Comments and action taken by Inspector:

Upon my arrival, I met with Abigail and she told me I just missed the animals. There were no animals in the AVI section and my inspection was concluded at 14:56.
