STATES UNDER OATH IN ENGLISH

I am my ex wife Charlene Landberg
 were busy going through a divorce & selling of our
 property. Our two Pitbull dogs, Jippie & Bella needed to be
 rehomed. My ex wife was contacted by Angelique West who
 was very interested. Upon initial viewing of the property the
 yard was neat & other dogs present which looked in good
 health. He decided this was a good home for them
 and let Angelique take ownership of Jippie & Bella on 11 Aug.
 The dogs were handed over to them in excellent healthy
 condition. I could not have to visit as was heartbreaking.
 My ex wife mentioned that she visited once a month & dogs
 lost weight. On 1st December 2024 I received pictures of the
 dogs from ex wife & they were extremely thin. I then went
 with ex wife to go & visit & the dogs were extremely thin.

STATES UNDER OATH IN ENGLISH

He informed Angelique that we would like to take the dogs for medical treatment. She declined & stated that she feeds them. I then insisted on taking them for medical assistance & if she would not comply I would then need to involve Law Enforcement. She then allowed us to take dogs. I brought the dogs to my house whereby I fed, watered, & dewormed them. Upon further inspection I noticed they were covered in ticks & reached out to SPCA emergency services. Eugene of SPCA advised me I would need to have Angelique phone & allow me to surrender dogs.
