Upon inspection, i met with Carla. The dog was free roaming inside the property. The dog had accesd to water. The living environment was dirty with faces. She told me that they clean every second day but the dog eat 3 times a day. I toll her that they will have to pick up daily. The dog had access to shelter in the form of a plastic kennel but it appeared to small for the dog. The dog appeared in good health and condition and the owner is interested in sterilization.

I issued a warning to:
 (1)clean the living environment within 7 days.
 (2)provide adequate shelter within 7 days

ACTION TAKEN
