As i was about to leave after leaving the warning on the gate. The respondent arrived. Limi who is 18years old arrived with his little brother. He told me that his parents are in the Eastern Cape. I explained my reason for being there. He told me that they had run out of dog food and money whilst the parents are gone and they havebeengettingfood from the neighbour. However his mother sent them money to buy dog food today. Roxy is in good condition with access to adequate shelter, water and a clean living environment. No contraventions observed.
