FINDINGS

:

Comments, if any:

Cadet Abrahams and I drove through 3 intersections on the main road next to Access Park shopping centre. Cadet Abrahams also asked one of the men selling bags at the middle intersections but he said he didn't know about a man selling puppies. Unfortunately, we did not find the man. I think Area Inspectors should always proactively keep an eye out if using this road so that random checks are conducted. Case can be closed for now with NFA as we didn't find the man.
