FINDINGS

:

Comments, if any:

Maria Isaac's, with ID No 600621 0752 086, who allowed me onto the property, cellphone number. 068 832 9854

She claimed that, after seeing the dog that is old and and struggling to walk they decided to call the Law Enforcement yesterday to report the matter, according to Miriam in the morning AWS inspector arrived, they claimed that, the dog was signed over to be put down, there were no other animals onto the property.

Then I decided to called Inspector Sivuyile from AWS, I wanted to confirm, he told me that, yes, in the morning, he was at the property, the dog was surrendered and he also mentioned that he educated the owners for future reference.

I think we need to close the case
