On my arrival, i have met with a woman who Introduced herself as Lameez Martinis, with cellphone 073 140 2451, she claimed to be the mother of Safwaan Martinus. She told me that, her son owned two dogs which is a cross breed male that is unsterilized, his name is Rocky, he is tan in color and he is 10 years old, the dog appeared to have ticks, the owner showed me the dip, and said, he will bath the dogs as soon as possible, when the weather is good. the dog was roaming freely inside and outside of the property, as there was no gate, there was water and there was no shelter provided to the dog. Then we proceeded to the right side of the house, I have observed the Pitbull female called Maya, she is 7 months old, she was tan and white in color, the dog appeared to be in a fair condition, she was confined into the cage that can be 2by 0.5m, something that was not acceptable and it it unnecessary as there was enclosure that appeared to be adequate at the back,	

I have instructed the owner to to let the dog out of the cage, he immediately complied. there was water provided to the dog.

The warning was issued as follows.

1. To provide the dog called Rocky with adequate shelter within 7 days.
2. To refrain from locking the dog into the cage as it is against the law.
