Upon arrival I met with Zoe Mutume. I introduced myself and stated my reason for being there. She told me that the dogs belong to her brother Adrian Mutume and was at work. She also informed me that they are looking to surrender the dogs to a reputable shelter. She claims to have been advised against the SPCA and i couldn't reason with her. I observed two adult female dogs and 3 two months old puppies. They all appeared to be in good condition. Adequate shelter has been provided, however, the yard is dirty, the faeces does not get picked up and the water was dirty. I issued a notice for the following: 1. To Hygienically clean the Living environment of the dogs and maintain it within 48hrs. 2. To provide potable water 24hrs daily.
