Comments, if any:

Upon arrival I met owner who gave me access to property. He told me upfront he has not yet been able to take his animals to the vet, but that he wants to surrender the puppies. Admission no. A48552; A48553; A48554. He told me that he will be able to take the dogs to the vet on Friday. I did not see the other two dogs as they were roaming in the street. I then observed that the dogs have access to adequate water.

I then issued a NTC for the owner: Provide your dogs with adequate veterinary treatment as they appear to have skin

- conditions.
- 2)Provide the Cape of Good Hope SPCA inspectorate department with proof of such treatment.
 - 3)You have 96hours to do so.
 - 4) Provide your dogs with adequate shelter as the one seen is not adequate. You have 7days to do so.
