Comments, if any:

On my arrival, I have met with Rene Rhona, who allowed me onto the property, she told me that the dog was taken to the vet in Phillip, where it was given the dewormer and was told to feed more food.

From what the dog was on previous inspections, he appeared to be slightly improved on his weight although, he still appeared to be thin.

There was water and food provided to the dog, the owner had material to build up makeshift shelter
We may do a follow-up inspection on January 2025
