General Report Comments: Upon arrival I was granted access by the owner Susan.

The dogs were in the front yard. The adult pitbull was temporarily chained at the front yard as the owner has her washing on the line where the runner is. She took me to the back yard to shiw me that the runner is still installed and that is where the dog is most of the time. The puppy is roaming freely.

Both dogs are in fair condition, with access to adequate shelter, water and a clean living environment.

No further action required.
