FINDINGS

:

Comments, if any:

Upon arrival I found 17 glue traps in the shelves. I took them to the counter where i met the owner May Liu. I introduced myself and stated my reason for being there. She told me that she was not aware and that these traps are all over the country. She refused me to take them without a warrant. She said that she would rather take them back to the supplier and get her money back.

I issued her the letter that states that we are apposed to these glue traps and to refrain from selling them. She assured me that she wouldn't sell them again and will spread the word.

No further action required.
