General Report Comments: Upon follow-up I shouted at the gate but no one came out of the property and I observed 2 x cats free roaming inside and both appeared to be in fair condition including the cat in question however I can't go inside the house as there is no one home. The cat appeared to be in fair condition as well and I couldn't see the flea allergy areabof concern. I'm closing this case as we never get the owner nor does she answer when we call her unless if weekend inspector can follow-up
